

2023 STANDARDS PER CLASSIFICATION

Classification IX: Youth

Judging in this Classification will be guided by the applicable standards for the medium in which the youth artist is working.

The intent of this Classification is to encourage youth to create artwork without the active participation of adult family members.

In 2023, we implemented the “Boundary” Category within each division. This Category is designed to give jurors and Class Managers more options when looking at pieces that do not necessarily conform to already existing Categories but use the same techniques and materials.

Division Descriptions

Division A: Ages 9 and under.

Division B: Ages 10 through 13.

Division C: Ages 14 through 17.

Important Reminders:

1. For Artists: Please contact the SWAIA office at 505-983-5220 for the specific standards that relate to works you wish to sell or enter into judging.
2. All decorative stone, shell or metal elements, including beads, as well as, all feathers and animal materials must be properly identified and comply with all State and Federal laws and regulations.
